**Re: In the Matter of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am consumer who supports broadband competition. I am opposed to price hikes that will increase the cost of internet and telephone services. After years of having no choice I now have a competitive telephone service and internet provider. They are far better cost wise, and provide much better customer service in both billing and technical support. Thanks for your consideration.

Respectfully yours,
Lawrence Kelleher
